

## Data Sharing Statement

<b>Article Info</b>	Article information: <a href="http://dx.doi.org/10.21037/jtd-20-690">http://dx.doi.org/10.21037/jtd-20-690</a> .	
<b>Item</b>	<b>Question</b>	<b>Authors' Response (place "-" if not applicable)</b>
1	Would you like to share data collected for your study to others?	Yes.
2	If not, would you like to share the reason for your decision?	-
3	What data in particular will be shared?	The PE incidence data after thoracic surgery and the compliance data in particular will be shared.
4	Any other documents will be share? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.	Study protocol, statistical analysis plan, and informed consent form will also be shared if requested.
5	When will data availability begin?	From the publication date.
6	When will data availability end?	Two years within the publication date, since the incidence data and compliance data will be updated over time.
7	To whom will you share the data?	Physicians and thoracic surgeons who are interested in VTE prophylaxis.
8	For what type of analysis or purpose?	For analysis to evaluate the VTE prophylaxis post thoracic operations.
9	How or where can the data/documents be obtained?	Contact the first author by email for the shared data: <a href="mailto:sh_leisen@126.com">sh_leisen@126.com</a>
10	Any other restrictions?	We may balance the potential benefits and risks for each request and then provide the data that could be shared.
