

Data Sharing Statement

Article Info	http://dx.doi.org/10.21037/jtd-19-4101	
Item	Question	Authors' Response (place "-" if not applicable)
1	Would you like to share data collected for your study to others?	No, We would not.
2	If not, would you like to share the reason for your decision?	As per the ethical committee approval, the research data are not allowed to share to others without specific purpose due to the patients' confidentiality concern. Anyway, if the data in this research could be beneficial to other studies, the researchers can propose for data sharing in case by case. The approval of data sharing will depend on our ethical committee opinions.
